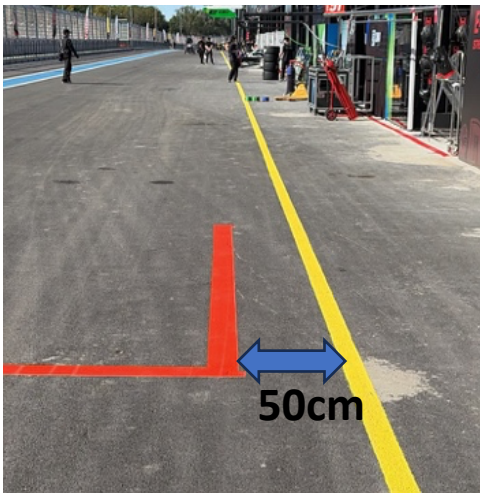
BULLETIN 2

PIT STOP LOCATION / APRON:

The working area in the pitlane for all cars has been marked by using stickers with your number on it.
The sticker indicates the reference for the front of your car.



The reference for the left side of the box is 50 cm from the outer edge of the yellow control line.
The red line indicates the start of the pit lane.
The control line for your equipment is the yellow line.

Each car must operate exclusively within its allocated working area. Cross-utilisation of working areas between cars is strictly prohibited.
It is the responsibility of each team to ensure full compliance.
Any deviation may be referred to the Stewards.

THANK YOU FOR CONSIDERING THE ENVIRONMENT BEFORE PRINITING THIS DOCUMENT
