Event: GT World Challenge Asia Powered by AWS Rounds 9&10

Stewards Decision No: 06

Date: 03 October 2026
Time: 08:20

From : The Panel of Stewards

To : The Competitor's Representative
Absolute Racing

The Stewards reviewed the Competitor's written request concerning the replacement of the chassis and engine following a fire.

While Article 40 prohibits such replacements during an Event and provides for penalties up to disqualification, the Stewards are satisfied that the fire was accidental, unforeseen and not connected to any attempt to gain a sporting advantage. The replacement was necessary as a consequence of damage caused by the incident and not as part of a performance-related change.

In view of these exceptional circumstances, and exercising the discretion available under Article 40, the Stewards decide that no penalty shall be imposed and authorise the requested replacement.

[Competitors are reminded that they have the right to appeal the decisions of the Stewards (with the exception of those referred to in Art. 12.3.4 of the FIA ISC), in accordance with Art.15 of the FIA ISC.]
