

BULLETIN 5

The Stewards would like to draw your attention to the following:

a. Article 4.5 Driver Cooling System

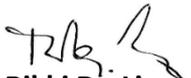

Reference Article 4.5 - it is highly recommended that the teams use the Driver Cooling System as temperatures are forecasted to be over 30.1 degrees Celsius during the races. However, it will not be mandated.

b. Article 33.26 Blowers

Referencing GT Challenge Asia Series 2025 Sporting Regulations, Art. 33.26, the Stewards allow the teams to use fans or blowers solely directed to the drivers, on the grid and in the pit lane during the races only.

Please be guided accordingly.

The Panel of Stewards:

Rikki Dy-Liacco
Chairperson

Tony Tan
International Steward

Preeda Tantemsapya
National Steward
