SPORTING NOTE

TRACK TIME PERMISSION

Having received a request for Origine Motorsport to put their #22 car on track during the event in order to allow driver Bob YUAN , who is not competing in this weekend's event, to complete a number of laps to assess his fitness. Exceptionally, the Promoter has opted to accept this request. The track session will take place on Friday October 30th after the Bronze session, from 12:28 approximately for 20 minutes.
