

Event: GT World Challenge Asia Powered by AWS Rounds 1&2

Stewards Decision No: 16

Date: 04 April 2026

Time: 14:14

The Stewards, having received a report from the Race Director have reviewed the following matter, determined that a breach of the regulations has been committed by the competitor named below and have decided to impose the following:

No. / Driver : 10 / Brian Lee

Competitor : Team KRC

Session : Race 1

Time : 13:57

Facts : Unsafe release resulting to a collision with Car 4

Offence : Breach of Article 34.17 of the GT World Challenge Asia Sporting Regulations and Article 2d, Chapter IV, Appendix L of the FIA Int'l Sporting Code

Decision : A drive through  
No Behaviour Warning Point

Reason : Video evidence showed Cars 10 and 4 lined up waiting for the fast lane to open. The car controller for Car 10 was observed watching the controller for Car 4, who was positioned to their right. As soon as the fast lane opened, Car 4 was signaled to move. Simultaneously, the Car 10 controller signaled their driver to proceed but immediately attempted to abort the command. However, Car 10 had already moved forward, resulting in a collision with Car 4. The Stewards determined that both the driver and car controller of Car 10 were at fault. Given that a collision occurred, the aforementioned penalty is imposed. Because the driver was not solely responsible, no behavior warning points were issued.

*[Competitors are reminded that they have the right to appeal the decisions of the Stewards (with the exception of those referred to in Art. 12.3.4 of the FIA ISC), in accordance with Art.15 of the FIA ISC.]*
