## Additional Race Director NOTES - Friday 3<sup>rd</sup> April 2026

To all competitors;

**Safety Car restart;**

In order to avoid the likelihood of accidents before the safety car returns to the pits, from the point at which the lights on the car are turned out drivers must proceed at a pace which involves no erratic acceleration or braking, nor any manoeuvre which is likely to endanger other drivers or impede the restart. The positioning of the cars before passing the green flag on the control line must comply with the below drawing
