

11th May 2023

Thursday Paid Practice

To all teams;

The Race Director would like to advise all teams in regard of the circuit track limits.

The following corners will be monitored and reported by a judge of fact based at the circuit marshal post. They will report any car for running off the track.
A car will be judged to have left the track if all four wheels are seen behind the white line.

The judges of fact and CCTV in race control will monitor the following corners;

Turn 1, turn 3, turn 4, turn 5, turn 7, turn 8, turn 12.

For your information, during the official sessions of qualifying, any car breaching the track limit at the exit of turn 12 will have that lap time and also the following lap time removed.

The removal of lap times will only be confirmed once the following lap is completed.
