

Event: Fanatec GT World Challenge Asia Powered by AWS Rounds 1 & 2

Date: 19 April 2024

Time: 15:08

Stewards Decision Number: 01

From : The Stewards of the Meeting
To : Audi Sport Asia Team Absolute (Car 40)
Huang Ruohan, Markus Winkelhock

The Panel of Stewards, having received a letter of request to replace the engine on Car 40 due to irreparable damage suffered from a fire during Official Practice 1, have interviewed the Team Representative, the Chief Scrutineer, and have decided as follows:

Decision:

1. The request to replace the engine is granted.
2. The car must be presented and must pass re-scrutineering.
3. Car 40 to drop three (3) grid positions at the start of the first race Car 40 takes part in (within Round 1 & 2).

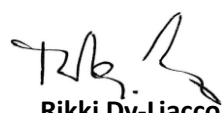

Reason:

Article 40 clearly forbids the replacement of the engine, among others, and that a penalty will be imposed for such a replacement. Due to the timing of the request (prior to Qualifying), the three-grid drop penalty has been decided by the Stewards, and is considered a lower penalty (as compared to a change after Qualifying)

[Competitors are reminded that they have the right to appeal the decisions of the Stewards (with the exception of those referred to in Art. 12.3.4 of the FIA ISC), in accordance with Art.15 of the FIA ISC.]
