The Stewards, having received a report from the Fanatec GT World Challenge Asia Race Director, have considered the following matter, determined that a breach of the regulations has been committed and have decided to impose the following penalty:

Fact: Fire extinguisher was found not have been armed

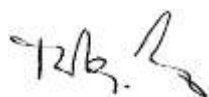

Time (fact): 12:50

Offence: Breach of Article 3.3 of the of the 2024 Fanatec GT World Challenge Asia Powered by AWS Sporting Regulations and of Article 257A, Section 1310, Appendix J of the FIA International Sporting Code

Decision: A fine of US\$1,500. The amount of US\$500 to be served, and the remaining amount of US\$1,000 suspended until the end of the season.

Reason: The car was found not to have its fire extinguisher armed while on the grid leading to race start. The technical scrutineer pointed this out to the crew and while the crew member managed to rush and arm the system just before the cars started their formation lap, the omission was still a violation of the regulations.

[Competitors are reminded that they have the right to appeal the decisions of the Stewards (with the exception of those referred to in Art. 12.3.4 of the FIA ISC), in accordance with Art.15 of the FIA ISC.]
