

BULLETIN 2

PIT STOP LOCATION / APRON:

For this event your pit box has been allocated and marked using White Tape with the car number on it. The marker indicates the reference for the front of the car.

The reference for the left side of the box is 1m (100cm) from the outer edge of the white control line.

Each car has been allocated 8m.

Teams are reminded to ensure that their equipment does not obstruct the garage of teams from other race categories during their sessions.
