

BULLETIN 5

The Stewards draw your attention to the following:

a. Article 4.5 Driver Cooling System

Reference Article 4.5 - it is highly recommended that the teams use the Driver Cooling System as temperatures are forecasted to be over 30.1 degrees Celsius during the races. However, it will not be mandated.

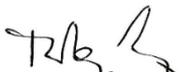

Further into the season, the Stewards highly recommend that the teams equip themselves with driver cooling systems, as per Article 4.5.

b. Article 33.26 Blowers

Referencing GT Challenge Asia Series 2025 Sporting Regulations, Art. 33.26, the Stewards allow the teams to use fans or blowers directly solely towards the drivers, on the grid and in the pit lane during the races only

Please be guided accordingly.
